DESCRIPTION: Vance Exley Tennis All Sports Camps are designed to provide the student-athletes in our community with a foundation of fundamental skills, knowledge, character and leadership development, and love for athletics. Recognizing that while skills and drills are critical to the improvement of an athlete, making the sport FUN is essential to developing the "passion for the game." By trying different sports, we hope that athletes take advantage of the wide variety of athletic opportunities and play multiple sports. This type of cross training not only helps to develop overall athleticism, it keeps sports fresh and exciting.

Vance Exley Tennis Camps
Grab your tennis racquet and get ready to play! Whether your child has ever picked up a racket or not, this camp will improve your child’s tennis skills and love of the game. Our tennis camp focuses on basic tennis skills, with emphasis on promoting healthy activity, hand eye coordination and balance and most importantly having fun which will create a well-rounded tennis player. Each player is given personal attention and taught through repetition in an enjoyable, lively atmosphere. Vance Exley Tennis breaks down the fundamental skills of tennis through easily understood games and exercises to help improve the athlete’s overall coordination and technique. Players learn proper grips, footwork, strokes, volleys and serves during a series of drills designed to teach skills in a fun and dynamic way. In addition to developing a love for tennis, athletes will learn the rules and etiquette that make tennis such an exciting game to play.
